

## *Roach Sailing Association*

77 Marine Parade,  
Leigh on Sea,  
Southend 79803

NEWSLETTER 8 July 1974

Six Months have passed since I last sent a newsletter and our initial aim of achieving a seat on the Crouch Harbour Authority Advisory Committee through the Roach Area Fairways and Conservation Committee was announced last week as confirmed.

I have little idea what effect the Harbour Authority will have on our sailing but I can imagine the Authority will take overall control of moorings, speed limits, buoyage and any yacht harbour development. As soon as I receive any further details I will write to you again.

The Harbour Bill is working its way through Parliament and will be in operation at the end of this year or the beginning of next.

I enclose a list of members with addresses for your information and you will see that each member has a number, and a list of boats names is also enclosed which should coincide with those numbers. Let us hope that this puts an end to people calling each other by the names of their boats.

I also enclose receipts for new members.

### PAGLESHAM REGATTA

Sunday 21 July Start 12 noon - Highwater 2.30

A Regatta has been organised by some of the members to be held from the jetty upriver of the Shuttlewood shed by kind permission of Messrs. Warren, Massey and Warren. The organisers hope to arrange rowing races, tug of war, balloon races and other amusements. They have requested that cruisers be anchored off the jetty near to Doreen mooring and as many dinghies be made available for the use of competitors.

Bring your own Beer, Spirits and Lunch but I understand hot Sausage Rolls will be available from the jetty.

This is a revival of the old Paglesham Regatta and I hope as many members as possible will attend to make this a success.

Further details on the yards notice board and from Gordon Warren, Swatchways, East End, Paglesham - Canewdon 368.
